Safety and First Aid Equipment:

Fire Extinguishers:

Fire Extinguishers are located inside each classroom and in the hallways, break room, and kitchen. The school's handyman is responsible for the monthly inspections of equipment and documenting the readings appropriately. Once a fire extinguisher is used, it must be recharged.

Smoke & Carbon Monoxide Detectors:

Smoke & carbon monoxide detectors are mounted in each classroom and controlled through the building's fire monitoring system. Battery powered smoke detectors are located in the infant classrooms and Panda classroom. Both are checked monthly by the school's handman. The monitoring systems are tested through monthly fire drills and battery powered detectors are checked manually.

Emergency Evacuation Bag Contents:

Each classroom has an emergency evacuation bag. These bags contain: First Aid Supplies, Epi-Pens (to be taken at the time of evacuation) Classroom specific infant formula, Snack, Flashlight, Diapers, Wipes, Gloves, Plastic bags, Plastic cups, Children's Books, Emergency Preparedness Plan, Cell phones, and Staff phone list.

The school office has an emergency evacuation bag. This bag contains: First Aid Kit, 3 Flashlights, Parent Contact Notebook, Directions for sending SMS for emergencies in Procure App, and the Emergency Preparedness Plan. We should all have a personal cell phone when we evacuate.

The Food Manager is responsible every six months (or as needed) for purchasing and storing 2 gallons of bottled water per classroom for drinking, one 40 pack of individual waters for the staff in each of the buildings designated break areas, and any refrigerated medication stored in the kitchen refrigerator (to be taken at the time of evacuation), Personal Cell Phone, and the Emergency Preparedness Plan. (In the event of a major emergency our plan is to use our schools snack supplies pantry located in building #1).

School Closure Guidelines:

Closing may be necessary due to weather conditions. In the event of severe weather, Child's Day uses an automated call messaging system in ProCare to directly contact parents via phone call, text & email in the event of any school delays or closings. In the event of severe weather during the day, Child's Day will monitor the situation and contact parents if deemed necessary. Parents are to pick up their children immediately when called.

Emergency Preparedness Plan

1. Emergency Response Procedures:

Evacuation of School Building:

Bldg. 1, Bldg. 4, Bldg. 6

Action:

- Every class will leave the building (evacuate) immediately and go to designated area. Designated routes are posted in each room on the fire drill evacuation sign.

What to take:

- Each teacher will take:
 - 1) Classroom evacuation bag
 - 2) A current sign in sheet
 - 3) The Blue Binder
 - 4) Personal cell phone
 - 5) Medication
- Kitchen manager will take:
 - 1) Personal cell phone
 - 2) Refrigerated Medication
 - 3) Emergency Plan
- Office staff will take:
 - 1) Emergency bag
 - 2) Emergency binder
 - 3) First Aid Kit

Before Leaving The Building

- Each teacher will:
 - 1) Close the classroom door.
 - 2) Escort children to the designated area
 - 3) Notify Administration if a child is missing during the evacuation.

All Clear:

- Teachers will stay in designated area with children until the “all clear” signal has been given by an administrator.

Lock Down Procedure:

Stay in classroom

Action:

- An alert is given through the intercom system “lock down” for bldg. 1
 - Move children to a safe area in the room; if outside, move to the Handyman’s Work Room, if in the activity room, move to the closest classroom.
- An alert is given through a phone call “lock down” for bldg. 4 & 6
 - Move children to a safe area in the room; if outside, move to the closest classroom

What To Do:

- Dead bolt all doors in the classroom
- Pull down all shades to windows and cover classroom door glass window
- Move children away from all windows
- Turn off lights in the classroom
- Remain calm so children remain calm

All Clear

- Teachers will stay in designated area with children until the “all clear” signal has been given. The signal will be verbal and in person by a Child’s Day administrator.

Off-site Evacuation: Transporting children by foot or vehicles

Action:

- All school intercom announcement telling staff to evacuate the entire campus to a designated school / location due to chemical spill, severe facility problem, explosion, or other reasons that threaten safety as deemed necessary by the Administration.
- Off-site evacuation locations are:
 - 1) IHOP 1101 S MoPac Expressway Austin, TX 78746 512-327-9284
 - 2) Salt Trader 1101 S MoPac Expressway Austin, TX 78746 737-484-0095

What To Take:

- Each teacher will take:
 - 1) Classroom evacuation bag
 - 2) A current sign in sheet
 - 3) The Blue Binder
 - 4) Personal cell phone
 - 5) Any Medications
- Office Staff will take:
 - 1) Emergency bag
 - 2) Parent Contact notebook/ Personal cell phones
 - 3) First Aid Kit
- Housekeeper will take:
 - 1) Evacuation kit
 - 2) Refrigerated Medication
 - 3) Personal cell phone

Before Leaving the Building:

- Each teacher will:
 - 1) In the case of vehicle transportation, the administrator needs a written list of children assigned to each driver
 - 2) Close the classroom door
 - 3) Escort children to the designated area (your fire drill spot)
 - 4) Notify administration if a child is missing during the evacuation
- Office Staff will:
 - 1) Check school grounds for any remaining unaccounted-for children
 - 2) Prominently post signage as to our destination
 - 3) Call all parents via text, phone, and e-mail using ProCare

Upon Arrival:

- Take Roll
- Check children for injuries
- Keep children together
- Be ready to follow instructions as necessary

All Clear:

The “all clear” signal and any other directions will be given at the designated location by a Child’s Day administrator.

2. Response to a Crisis:

Type of Emergency	Immediate Response by Teachers/Assistants	Action by Administration
<p style="text-align: center;">FIRE</p>  <p style="text-align: center;">Conducted monthly</p>	<ol style="list-style-type: none"> 1. Attempt to extinguish the fire, if small and confined (e.g. trash can). Extinguishers are found in every hallway, break room, and sink area next to adult bathrooms. 2. If fire is out of control, do not attempt to put it out. 3. Pull the fire alarm by using the fire alarm pull stations. There is one by the front door, one in the lobby, and one in the activity room. 4. Notify the office by using your intercom or phone (bldg.4) 5. Evacuate the area using the Evacuation of School Building procedure. 6. Confine the fire by closing the door to the area involved. 7. Take roll once you reach your designated evacuation spot. 	<ol style="list-style-type: none"> 1. If not already done, pull the nearest fire alarm. 2. Call 911 to report a fire (office manager) 3. Implement evacuation plan 4. Set up command center with communication capabilities. Retrieve enrollment notebook, cordless phone, and access to notify AMG (office manager). 5. Take roll of children and staff (Assistant Director). 6. Search building for missing children (Director). 7. Assist with emergency personnel (Director). 8. If unable to re-enter building, the office manager will call parents using AMG. 9. Debrief personnel (Asst. Dir. and Director). 10. Distribute talking points for the staff (Asst. Dir. and Director). 11. Log all activities and decisions (Director). 12. Complete fire drill log and report to licensing (Asst. Dir. and Director).
<p style="text-align: center;">Severe Storm / Natural Disaster</p>  <p style="text-align: center;">Conducted quarterly</p>	<ol style="list-style-type: none"> 1. Go to designated location for your classroom. All classes in building 1 should go to inner hallways, away from windows. The Pandas should go to the laundry area on building 4. The Chicks/Ducklings will join in the Chicks sleeping area of building 4. The Finches/Hummingbirds will join in the Restroom of building 6. The Honeyberas and Otters should gather in the conference room in building 6. 2. Take evacuation bag with flashlight. 3. Take blue enrollment binder. 4. Take roll once you are in your designated area. 5. Cover the children with nap mats. 6. Help the children to remain calm by you being calm. 	<ol style="list-style-type: none"> 1. Call 911 (office manager). 2. Determine whether or not to implement evacuation procedures (Director). 3. Administer first aid, if necessary (Assistant Director). 4. Designate someone to check all restrooms and classrooms for missing children (Director). 5. Assist emergency personnel (Director). 6. Debrief personnel (Asst. Dir. and Director). 7. Call parents using the AMG system (office manager). 8. Distribute talking points for the staff (Asst. Dir. and Director). 9. Log all activities and decisions (Director). 10. Complete severe weather log (Asst. Dir.)
